Case No. 23-10585 (JKS)

**GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY,  
AND DISCLAIMERS REGARDING THE DEBTORS' SCHEDULES OF ASSETS  
AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS**

**INTRODUCTION**

Jenny C Holdings, LLC and its debtor affiliates, as debtors in the above-captioned cases (collectively, the “Debtors”), are filing their respective Schedules of Assets and Liabilities (each, a “Schedule” and, collectively, the “Schedules”) and Statement of Financial Affairs (each, a “Statement” and, collectively, the “Statements”) with the United States Bankruptcy Court for the District of Delaware (the “Bankruptcy Court”) pursuant to section 521 of title 11 of the United States Code (the “Bankruptcy Code”) and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”).

These global notes and statement of limitations, methodology, and disclaimers regarding the Debtors’ Schedules and Statements (collectively, the “Global Notes”) pertain to, are incorporated by reference in, and comprise an integral part of all of the Schedules and Statements. The Global Notes are in addition to the specific notes set forth below with respect to particular Schedules and Statements (the “Specific Notes” and, together with the Global Notes, the “Notes”). These Notes should be referred to, and referenced in connection with, any review of the Schedules and Statements.

The Debtors prepared the Schedules and Statements with the assistance of their advisors and professionals and have relied upon the efforts, statements, advice, and representations of personnel of the Debtors and the Debtors’ advisors and professionals. Given the scale of the Debtors’ businesses, Lawrence Perkins, the Debtors’ Chief Restructuring Officer and duly authorized and designated representative of the Debtors (the “Authorized Representative”) who has executed the Schedules and Statements of the Debtors, has necessarily relied upon the prior efforts, statements, and representations of employees and professionals of the Debtors and has not (and practically could not have) personally verified the accuracy of each statement and representation in the Schedules and Statements, including, but not limited to, statements and representations concerning amounts owed to creditors, classification of such amounts, and creditor addresses.

While the Debtors have made reasonable efforts under the circumstances to ensure that the Schedules and Statements are accurate and complete based upon information that was available to them at the time of preparation, inadvertent errors or omissions may exist. Moreover, because the Schedules and Statements contain unaudited information, which is subject to further review and

potential adjustment, there can be no assurance that the Schedules and Statements are complete or accurate.

The Debtors and their past or present directors, officers, employees, attorneys, professionals, and agents (including, but not limited to, the Authorized Representative), do not guarantee or warrant the accuracy, completeness, or currentness of the data that is provided herein and shall not be liable for any loss or injury arising out of or caused in whole or in part by the acts, errors or omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating or delivering the information contained herein. The Debtors and their past or present officers, employees, attorneys, professionals, and agents (including, but not limited to, the Authorized Representative) expressly do not undertake any obligation to update, modify, revise or re-categorize the information provided herein or to notify any third party should the information be updated, modified, revised or re-categorized. In no event shall the Debtors or their past or present officers, employees, attorneys, professionals and/or agents (including, but not limited to, the Authorized Representative) be liable to any third party for any direct, indirect, incidental, consequential or special damages (including, but not limited to, damages arising from the disallowance of any potential claim against the Debtors or damages to business reputation, lost business or lost profits), whether foreseeable or not and however caused arising from or related to any information provided herein or omitted herein.

The Debtors reserve all rights to amend or supplement the Schedules and Statements from time to time, in all respects, as may be necessary or appropriate, including, but not limited to, the right to dispute or otherwise assert offsets or defenses to any claim reflected on the Schedules and Statements as to amount, liability, classification, identity of Debtor, or to otherwise subsequently designate any claim as “disputed,” “contingent,” or “unliquidated.” Furthermore, nothing contained in the Schedules, Statements, or Notes shall constitute a waiver of any of the Debtors’ rights or an admission with respect to the Chapter 7 Cases (as defined below), including, but not limited to, liability for any claims, any issues involving objections to claims, substantive consolidation, equitable subordination, defenses, causes of action arising under the provisions of chapter 5 of the Bankruptcy Code, or any other relevant applicable laws to recover assets or avoid transfers. Any specific reservation of rights contained elsewhere in the Global Notes does not limit in any respect the general reservation of rights contained in this paragraph.

**The Schedules, Statements, and Notes should not be relied upon by any persons for information relating to current or future financial conditions, events, or performance of any of the Debtors or their affiliates.**

#### **GLOBAL NOTES REGARDING SCHEDULES & STATEMENTS**

1. **Description of the Chapter 7 Cases.** On May 5, 2023 (the “Petition Date”), the Debtors commenced voluntary cases under chapter 7 of the Bankruptcy Code (collectively, the “Chapter 7 Cases”).
2. **Basis of Presentation.** For financial reporting purposes, the Debtors have historically prepared consolidated financial statements, which include financial information for the Debtors and certain non-debtor affiliates. The Schedules and

Statements are unaudited and reflect the Debtors' reasonable efforts to report certain financial information of each Debtor on a stand-alone, unconsolidated basis. These Schedules and Statements neither purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles ("GAAP") in the United States, nor are they intended to be fully reconciled with the financial statements of each Debtor.

The Debtors attempted to attribute the assets and liabilities, certain required financial information, and various cash disbursements to the applicable Debtor entity. However, because the Debtors' accounting systems, policies, and practices were developed for consolidated reporting purposes, rather than reporting by individual legal entity, it is possible that not all assets, liabilities, or amounts of cash disbursements have been recorded with the correct legal entity on the Schedules and Statements. Accordingly, the Debtors reserve all rights to supplement and/or amend the Schedules and Statements in this regard.

Given, among other things, the uncertainty surrounding the valuation of certain assets and the valuation and nature of certain liabilities, a Debtor may report more assets than liabilities. Such report shall not constitute an admission that such Debtor was solvent on the Petition Date or at any time before or after the Petition Date. Likewise, a Debtor reporting more liabilities than assets shall not constitute an admission that such Debtor was insolvent on the Petition Date or any time prior to or after the Petition Date.

3. **Reporting Date.** The reported asset values in Schedules A and B, with the exception of estimated cash balances, reflect the Debtors' asset values as of February 28, 2023 (the "**Reporting Date**"). Estimated cash balances presented in Schedule A reflect estimated bank balances as of April 28, 2023, May 4, 2023, or May 5, 2023, as applicable, for the Debtors' accounts at JPMorgan Chase and as of April 7, 2023 for the Debtors' remaining bank accounts. Due to employee resignations in the Debtors' treasury department prior to the Petition Date, the Debtors were not able to collect all bank balances as of the Petition Date.
4. **Current Values.** Other than estimated bank cash balances, and unless otherwise noted, the assets and liabilities of each Debtor are listed on the basis of the book value of the asset or liability in the respective Debtor's accounting books and records.
5. **Excluded Assets.** The Debtors have excluded certain categories of assets, tax accruals, and liabilities from the Schedules and Statements, including, without limitation, accrued salaries, employee benefit accruals, accrued accounts payable, right to use assets and related lease liability as well as capitalized freight.
6. **Intercompany Balances.** The Debtors have excluded intercompany payables and receivables from the Schedules and Statements.

7. **Accuracy.** Although the Debtors have made reasonable efforts under the circumstances to file complete and accurate Schedules and Statements, inadvertent errors or omissions may exist. The financial information disclosed herein was not prepared in accordance with federal or state securities laws or other applicable non-bankruptcy law or in lieu of complying with any periodic reporting requirements thereunder. Persons and entities trading in or otherwise purchasing, selling, or transferring the claims against or equity interests in the Debtors should evaluate this financial information in light of the purposes for which it was prepared. The Debtors are not liable for and undertake no responsibility to indicate variations from securities laws or for any evaluations of the Debtors based on this financial information or any other information. The Debtors reserve all rights to amend and/or supplement the Schedules and Statements as is necessary or appropriate.
8. **Net Book Value of Assets.** In many instances, current market valuations are not maintained by or readily available to the Debtors. It would be prohibitively expensive, unduly burdensome, and an inefficient use of estate resources for the Debtors to obtain current market valuations for all assets. As such, wherever possible, unless otherwise indicated, net book values are presented as of the Reporting Date. When necessary, the Debtors have indicated that the value of certain assets is “unknown” or “undetermined.” Amounts ultimately realized may vary materially from net book value (or other value so ascribed). Accordingly, the Debtors reserve all rights to amend, supplement, and adjust the asset values set forth in the Schedules and Statements.
9. **Currency.** All amounts shown in the Schedules and Statements are in U.S. Dollars.
10. **Inventory.** Inventories are reported based on the net book value on the Debtors’ balance sheet as of the Reporting Date, except Statement 27 which reflects the latest physical inventory counts of the Debtors based on information available prior to the Petition Date.
11. **Totals.** All totals that are included in the Schedules and Statements represent totals of all the known amounts included in the Schedules and Statements and exclude items identified as “unknown” or “undetermined.” If there are unknown or undetermined amounts, the actual totals may be materially different from the listed totals. Where a claim or other amount is marked as “unliquidated,” but the Debtors also report a dollar value, such dollar value may indicate only the known or determined amount of such claim or amount, the balance of which is unliquidated.
12. **Reservation of Rights.** Nothing contained in the Schedules, Statements, or Notes shall constitute a waiver of rights with respect to the Chapter 7 Cases, including, but not limited to, the following:
  - a. Any failure to designate a claim listed on the Schedules and Statements as “disputed,” “contingent,” or “unliquidated” does not constitute an admission by the Debtors that such amount is not “disputed,” “contingent,”

or “unliquidated.” Additionally, the dollar amounts of claims listed may be exclusive of contingent and additional unliquidated amounts. Further, the claims of individual creditors are listed as the amounts entered on the Debtors’ books and records and may not reflect credits or allowances due from such creditors to the Debtors or setoffs applied by such creditors against amounts due by such creditors to the Debtors with respect to other transactions between them. The Debtors reserve the right to dispute and to assert setoff rights, counterclaims, and defenses to any claim reflected on their Schedules as to amount, liability, and classification, and to otherwise subsequently designate any claim as “disputed,” “contingent,” or “unliquidated.”

- b. Notwithstanding that the Debtors have made reasonable efforts under the circumstances to correctly characterize, classify, categorize, or designate certain claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules and Statements, the Debtors nonetheless may have improperly characterized, classified, categorized, or designated certain items. The Debtors thus reserve all rights to recharacterize, reclassify, recategorize, or redesignate items reported in the Schedules and Statements at a later time as is necessary and appropriate.
- c. The description of an amount as “unknown” or “undetermined” is not intended to reflect upon the materiality of such amount.
- d. The listing of a claim does not constitute an admission of liability by the Debtors, and the Debtors reserve the right to amend the Schedules accordingly.
- e. The listing of a claim on Schedule D as “secured” or on Schedule E/F as “priority unsecured,” or the listing a contract or lease on Schedule G as “executory” or “unexpired,” does not constitute an admission by the Debtors of the legal rights of the claimant, or a waiver of the Debtors’ rights to recharacterize or reclassify such claim or contract pursuant to a schedule amendment, claim objection, or otherwise. Moreover, although the Debtors may have scheduled claims of various creditors as secured claims for informational purposes, no current valuation of the Debtors’ assets in which such creditors may have a security interest has been undertaken. Except as provided in any order by the Bankruptcy Court that is or becomes final, the Debtors reserve all rights to dispute and challenge the secured nature or amount of any such creditor’s claims or the characterization of the structure of any transaction, or any document or instrument related to such creditor’s claim.
- f. In the ordinary course of their business, the Debtors lease property from certain third-party lessors for use in the daily operation of their business. Any such leases are set forth on Schedule G, and any current amounts due

under such leases that were outstanding as of the Petition Date are listed on Schedule E/F. Nothing in the Schedules or Statements is or shall be construed as an admission or determination as to the legal status of any lease (including whether any lease is a true lease or a financing arrangement), and the Debtors reserve all rights with respect to any of such issues, including, the recharacterization thereof.

- g. The claims of individual creditors for, among other things, goods, products, services, or taxes are listed as the amounts entered on the Debtors' books and records and may not reflect credits, allowances, or other adjustments due from such creditors to the Debtors. The Debtors reserve all of their rights with regard to such credits, allowances, and other adjustments, including but not limited to, the right to assert claims objections and/or setoffs with respect to the same.
- h. The Debtors' businesses are part of a complex enterprise. Although the Debtors have made reasonable efforts under the circumstances to ensure the accuracy of their Schedules and Statements, they nevertheless may contain errors and omissions. The Debtors hereby reserve all of their rights to dispute the validity, status, and enforceability of any contracts, agreements, and leases set forth on the Schedules and Statements, and to amend and supplement the Schedules and Statements as necessary.
- i. The Debtors further reserve all of their rights, claims, and causes of action with respect to the contracts and leases listed on the Schedules and Statements, including, but not limited to, the right to dispute and challenge the characterization or the structure of any transaction, document, and instrument related to a creditor's claim.
- j. Listing a contract or lease on the Schedules and Statements shall not be deemed an admission that such contract is an executory contract, such lease is an unexpired lease, or that either necessarily is a binding, valid, and enforceable contract. The Debtors hereby expressly reserve the right to assert that any contract listed on the Schedules and Statements does not constitute an executory contract within the meaning of Bankruptcy Code section 365, as well as the right to assert that any lease so listed does not constitute an unexpired lease within the meaning of Bankruptcy Code section 365.
- k. Exclusion of certain intellectual property should not be construed to be an admission that such intellectual property rights have been abandoned, have been terminated or otherwise expired by their terms, or have been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. Conversely, inclusion of certain intellectual property should not be construed to be an admission that such intellectual property rights have not been abandoned, have not been terminated or otherwise expired by their

terms, or have not been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction.

### **SPECIFIC DISCLOSURES WITH RESPECT TO THE SCHEDULES**

#### **Schedules A/B**

**Part 25.** Although it is conceivable that certain inventory items may have been purchased within twenty days of the Petition Date, these items have been listed on Schedule A/B as “undetermined.”

**Schedule D.** The claims listed on Schedule D, as well as the guarantees of those claims listed on Schedule H, arose and were incurred on various dates. A determination of the date on which each claim arose or was incurred would be unduly burdensome and cost prohibitive. Accordingly, not all such dates are included for each claim.

Reference to the applicable loan agreements and related documents or other instrument creating the purported lien is necessary for a complete description of the collateral and the nature, extent, and priority of liens. Nothing in the Global Notes or the Schedules and Statements shall be deemed a modification or interpretation of the terms of such agreements. Except as specifically stated on Schedule D, real property lessors, utility companies, and other parties that may hold security deposits have not been listed on Schedule D.

**Schedules E/F.** The claims listed on Schedules E/F arose and were incurred on various dates. A determination of the date upon which each claim arose or was incurred would be unduly burdensome and cost prohibitive. Accordingly, no such dates are included for each claim listed on Schedules E/F.

**Part 1.** Claims owing to various taxing authorities to which the Debtors potentially may be liable, and which the Debtors have received notice of liability from such taxing authorities, are reported on Part 1. Certain of such claims, however, may be subject to ongoing audits. Therefore, the Debtors have listed all such claims as “contingent,” “unliquidated,” and “disputed,” pending final resolution of ongoing audits or other outstanding issues.

The Debtors endeavored to pay all accrued PTO and wages to their employees in advance of the Petition Date; however, out of an abundance of caution, potential claims owing to employees to which the Debtors potentially may be liable are reported as “undetermined” on Part 1. The Debtors reserve all of their rights with respect to any such claims, including the right to assert objections with respect to the same.

**Part 2.** The Debtors have made reasonable efforts under the circumstances to list all liabilities on Part 2 of each applicable Debtor’s Schedule. As a result of the Debtors’ consolidated operations, however, Part 2 for each Debtor should be reviewed for a complete understanding of the unsecured claims against the Debtors.

The Debtors reserve their right to dispute or challenge the validity, perfection, or immunity from avoidance of any lien purported to be perfected by a creditor listed on Schedule E/F of any Debtor. In addition, the Debtors reserve their right to dispute or challenge any priority asserted with respect

to any liabilities listed on Schedule E/F. The Debtors have made reasonable efforts under the circumstances to include all unsecured creditors on Part 2 including, but not limited to, trade creditors, landlords, utility companies, consultants, and other service providers. The Debtors, however, believe that there are instances where creditors have yet to provide proper invoices for prepetition goods or services.

Part 2 contains information regarding pending litigation involving the Debtors. To the extent that litigation involving a particular Debtor has been identified, such information is included on that Debtor's Schedule E/F. Unknown amounts for potential claims are listed as "undetermined" and marked as contingent, unliquidated, and disputed in the Schedules.

Part 2 does not include certain balances including deferred liabilities, accruals, or reserves. Such amounts are, however, reflected on the Debtors' books and records as required in accordance with GAAP. Such accruals primarily represent estimates of liabilities and do not represent specific claims as of the Petition Date.

The Debtors have not included in the Schedules and Statements the future obligations of any capital or operating leases. To the extent there was an amount outstanding as of the Petition Date, the applicable creditor has been included on Schedule F of the applicable Debtor.

The claims of individual creditors may not reflect credits and/or allowances due from creditors to the applicable Debtor. The Debtors reserve all of their rights with respect to any such credits and/or allowances, including the right to assert objections and/or setoffs or recoupments with respect to the same.

**Schedule G.** Although the Debtors have made reasonable efforts under the circumstances to ensure the accuracy of Schedule G regarding executory contracts and unexpired leases (collectively, the "Agreements"), inadvertent errors, omissions, or over-inclusion may have occurred. The Debtors may have entered into various other types of Agreements in the ordinary course of business, such as indemnity agreements, supplemental agreements, amendments/letter agreements, and confidentiality agreements which may not be set forth in Schedule G. The listing of an Agreement on Schedule G does not constitute an admission that such Agreement is an executory contract or unexpired lease or that such Agreement was in effect on the Petition Date or is valid or enforceable.

The Agreements listed on Schedule G may have expired or may have been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters, and other documents, instruments, and agreements which may not be listed on Schedule G. Moreover, although the Debtors made reasonable efforts under the circumstances to attribute an executory contract to its rightful Debtor, in certain instances, the Debtors may have inadvertently failed to do so. Accordingly, the Debtors reserve all of their rights with respect to the named parties of any and all executory contracts, including the right to amend Schedule G.

Any and all of the Debtors' rights, claims, and causes of action with respect to the Agreements listed on Schedule G are hereby reserved and preserved, and as such, the Debtors hereby reserve all of their rights to (i) dispute the validity, status, or enforceability of any Agreements set forth on Schedule G, (ii) dispute or challenge the characterization of the structure of any transaction, or any

document or instrument related to a creditor's claim, including, but not limited to, the Agreements listed on Schedule G, and (iii) amend or supplement such Schedule as necessary.

**Schedule H.** The Debtors are party to various debt agreements which were executed by multiple Debtors. The guaranty obligations under prepetition secured credit agreements are noted on Schedule H for each individual Debtor. In the ordinary course of their businesses, the Debtors are involved in pending or threatened litigation and claims arising out of the conduct of their businesses. Some of these matters may involve multiple plaintiffs and defendants, some or all of whom may assert cross-claims and counter-claims against other parties. To the extent such claims are listed elsewhere in the Schedules of each applicable Debtor, they have not been set forth individually on Schedule H. Furthermore, the Debtors may not have identified on Schedule H certain guarantees that are embedded in the Debtors' executory contracts, unexpired leases, secured financings, debt instruments, and other such agreements. No claim set forth on the Schedules and Statements of any Debtor is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by other Debtors or non-Debtors. Due to their voluminous nature, and to avoid unnecessary duplication, the Debtors have not included on Schedule H debts for which more than one Debtor may be liable if such debts were already reflected on Schedule E/F or Schedule G for the respective Debtors subject to such debt. To the extent these Notes include notes specific to Schedules D-G, such Notes also apply to the co-Debtors listed in Schedule H.

### **SPECIFIC DISCLOSURES WITH RESPECT TO THE STATEMENTS**

**Statement 1.** The amounts contained in Statement 1 reflect balances as of February 28, 2023, which is the most recent information available to the Debtors. For JC USA, Inc. and JC Franchising, Inc., the amounts in Statement 1 reflect consolidated revenue for the Debtors' North American operations.

**Statement 3.** Due to employee resignations in the Debtors' treasury department prior to the Petition Date, the Debtors were not able to update this information to reflect all payments made in the week leading up to the Petition Date.

**Statement 4.** Due to employee resignations in the Debtors' treasury department prior to the Petition Date, the Debtors were not able to compile this information.

**Statement 7.** Information provided on Statement 7 includes only those legal disputes and administrative proceedings that are formally recognized by an administrative, judicial, or other adjudicative forum and omits threatened litigation that has not yet been commenced. While the Debtors made reasonable efforts under the circumstances to complete Statement 7, it is possible that certain suits and proceedings may have been inadvertently excluded in the Debtors' response to Statement 7. The Debtors reserve all of their rights to amend or supplement their response to Statement 7.

**Statement 16.** Subject to the Debtors' privacy policy, in the ordinary course of business, the Debtors collect and retain certain personally identifiable information of their customers, including, but not limited to, names, addresses, email addresses, and certain payment information. Such information is subject to the Debtors' privacy policy.

**Statement 26(d)**. The Debtors contacted various parties in connection with their restructuring efforts, and the Debtors, through their advisors, may have shared certain financial information with those parties, who are not individually disclosed herein due to confidentiality restrictions.

**Statement 27**. The Debtors operated hundreds of weight loss centers which were managed by numerous employees across more than 35 states. It would have been prohibitively time-consuming, unduly burdensome, and an inefficient use of estate resources for the Debtors to compile this information prior to the Petition Date.

**Statement 30**. Due to employee resignations in the Debtors' treasury department prior to the Petition Date, the Debtors were not able to compile this information.
